Flower Urns

Flower urns are always welcome in the Lakefield Cemetery. For those who do not want or cannot care for their own urns, the cemetery can plant, place and maintain flower urns for you. This includes storing the urns over the winter.

Our urns are planted late April with Canadian grown bedding plants. They are then cared for in our greenhouse while they mature and bloom Flower urns are placed in the cemetery the first week of June and are cared for until Labour Day.
All urns are removed by mid-September.

Annual Flower Program

The Annual Filling Fee includes the planting, watering, weeding and fertilizing as necessary of flower urns, at a rate shown on the price list, billed in March of each year.

Clay and resin flower urns are available from the Cemetery Office. Non-resin urns are subject to breakage. Families are notified when replacement is necessary.

Endowment Urns

The Endowment Urn Fee includes the planting, watering, weeding and fertilizing as necessary of cemetery supplied urns at a rate shown on the price list. This provides peace of mind knowing that the urn will be placed for 10 or 20 years and not subject to a price increase for the term chosen.
